## THE HOPI TRIBE

*Thank you for your leadership in promoting health and disease prevention for all the Hopi People.  
You have led the fight for smoke free work places, first in 1983 when you made the hospital  
smoke free and again in 1987 when you designated all tribal buildings smoke free.  
I commend the Hopi Tribe for your efforts and leadership on behalf of the people of Arizona.  
I look forward to working with you to promote the health and well being of the  
Hopi Nation and all our citizens in Arizona.*
